

Celebrate their life with a magical film

cherishedmemories.co.nz

Create a magical film experience that makes your skin tingle every time you watch or share it with friends, family and generations to come.

Along with a one hour full interview we provide a professionally edited short film that blends highlights from your loved one's interview with beautiful moving images recorded on the day, supplied photos and a delicate music track.

3 simple steps for your loved one to get started. We'll do the rest.

1

Moments

Write down 6 big moments in your life.

2

Photos

Find a photo of you in each moment.

3

Places

Choose your favourite place outside of home, e.g. beach, library, park.

Film packages to suit all budgets
